Lecture 3: Inspiration Defined - Part 2

1.) Subject: Health Reform

1.1.) Health Reform is provided by God especially to aid our ability to understand spiritual things.

2.) Subject: The Introduction to the 1919 Bible Conference

2.1.) Clear intent to alter church member's definition of inspiration. Taken from <http://sopvindicated.org/AuthorsBlog/warnings/sabbath-march-24-2012/> —I have not researched who many of the people named in this paper are, I know only the major players.

2.2.) First a review of what the Bible states. 2Pe 1:19-21 *We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts: (20) Knowing this first, that no prophecy of the scripture is of any private interpretation. (21) For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.*

2.3.) Man says...*It is not the words of the Bible that are inspired, but the men that were inspired. Inspiration acts not on the man's words or his expressions but on the man himself, who, under the influence of the Holy Ghost, is imbued with thoughts.* Manuscript 24, 1886 (written in Europe in 1886). {1SM 21.2}
